MODEL SHOWN PAJERO SPORT VRX BLACK EDITION in White Diamond.

Town and country.

CITY DRIVING OR OFF-ROAD ADVENTURES, IT'S THE PERFECT

ADDITION TO YOUR FAMILY.

» MODEL SHOWN PAJERO SPORT VRX BLACK EDITION in White Diamond.

Now with the stylish VRX Black Edition on the team, you can choose to be a little more dressed up. A black-out package that includes a black grille, wing mirrors, door handles, roof rails and lower bumpers front and rear takes your arrival to the next level.

Under the rigid shell body lurks Mitsubishi's celebrated Super Select II 4WD system with a lockable centre diff. This system makes **Pajero Sport** extremely capable on the sealed highway or farm track. In dry conditions on sealed roads you're safe and economical in 2H. Rain or gravel road ahead, you can shift to 4H on the fly without having to stop.

The Super Select II system is operated from the drive mode selector on the centre console. Also on hand are 4HLC and 4LLC for climbing over rocks and more extreme terrain.

Command performance.

PAJERO SPORT IS THE CAPABLE MULTI-SURFACE FAMILY SUV.

Get comfortable in the driver's seat, because you're in charge of 135kw of power lurking under your right foot.

Up front, a 2.4L MIVEC intercooled turbo-diesel engine pushes out 437Nm of torque. Combine that with the Super Select II 4WD system and you've got a 3.1-tonne towing capacity.

First glance around the cabin and you'll notice you're surrounded by luxurious soft-touch materials.

» CUP HOLDERS Two cup holders in the centre console and bottle holders in each door.

Leather-appointed, heated and poweroperated seats up front hold you comfortably in place.

A new textured leather steering wheel designed with a 3-spoke layout puts many of the SUV's controls right at your fingertips. From here you can engage adaptive cruise control, adjustable speed

limiter, hands-free phone and audio, the multi-around view monitor, and alter the driver's dash display.

The driver's dash display has been updated too, creating a simpler layout that ensures a safer and less distracting drive.

When it comes to performance, Pajero Sport puts you in command.

Climb every mountain.

ESCAPE TO THE WILDERNESS IN THE ADVENTURE-MAKING PAJERO SPORT.
